Success requires more space Renewable Materials Conference in 2024

Dear Business Partners,

After three years, the Renewable Materials Conference (RMC), organised by nova-Institute, has established itself as a permanent in the international conference landscape. Once again, the format hit the mark and inspired more than 460 participants with its unique focus on innovative bio-based, CO₂-based and recycled alternatives to fossil-based chemicals and materials. We cordially invite you to sponsor our Renewable Materials Conference 2024 happening 11–13 June as a hybrid event with a potential of more than 500 participants.

Moving the conference from Cologne to a new location, the Rhein-Sieg-Forum in Siegburg, was the right decision. This town has excellent high speed train connections to the nearest airports: Cologne (CGN) 15 min, Düsseldorf (DUS) 60 min, Frankfurt (FRA) 50 min – with even direct train connection to Brussels. From the station, it is less than a 10 minute walk to the event location. And for participants joining by car, you also find a park deck right next to the venue.

Conference sponsors will be eligible to book a private meeting room onsite to arrange exclusive meetings in smaller circles or even to organise your own industrial workshop to introduce novel technologies, products or concepts, and discuss strategies. Room availability by the hour is based on a first come first serve basis. Besides this exciting option, we again offer some well-established services: not only sponsors but all companies are welcome to post advertisements in the widely distributed conference journal. And to round out the choices, exhibition spaces can be booked, also independently from being sponsor. Do not wait too long and make sure to get one of the limited spots to become part of the exhibition.

As sponsor of this forward-looking event, you are at the forefront of the transition to a renewable chemicals and materials industry. Your company understands the major challenges such as climate change, the dependence on fossil raw material imports and the new political framework conditions as a development opportunity.

We invite you to support innovations, new technologies and products, but also new strategies and visions with your commitment as a sponsor – and thus actively shape the future!

Show with your sponsorship that your company is at the forefront of change!

Michael Carus, CEO nova-Institute

Your Choice	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Please check the appropriate boxes and send the document to the nova sponsoring team if one or more alternatives appeal to you. All prices are excl. 19% VAT. Subject to change without notice.

* You are also welcome to book an additional advertisement in the conference journal (Page 5).

** The sponsoring net price is providing an excellent cost benefit ratio. The total costs are set off by the services listed in the table e.g. free entrance tickets, exhibition booth and page(s) in the conference journal, resulting in much lower “net sponsoring costs”.

Exhibition Information

Companies that would like to book an exhibition booth (6m²) can do so for the price of 2,300 EUR (excl. 19% VAT). Included in the booth fee is one conference ticket.

The exhibition is located prominently within the conference hall so the interaction with participants is guaranteed. For sponsors the exhibition booth is included into their sponsoring package.

Your stand booking consists of:

- One Table (1,40m x 0,70 m), tablecloths and two chairs
- Pinboard (1,20 m width x 2m height)
- Power socket (240 V).

You are also welcome to make use of your own booth system.
