Success requires more space Renewable Materials Conference in 2025

Dear Business Partners,

The Renewable Materials Conference (RMC), organised by nova-Institute, has firmly established itself as a leading event in the international conference landscape. With a unique focus on innovative bio-based, CO₂-based, and recycled alternatives to fossil-based materials, RMC has inspired more than 450 participants and will welcome 500 at the 2025 edition from 22 to 24 September.

RMC 2025 aims to provide answers to pressing industry and policy questions: How to defossilise the chemical industry and remain competitive? How to meet the demand for fossil-free plastics? What role will biodegradation play in the circular economy?

We are excited to invite you to sponsor the 2025 RMC at the Rhein-Sieg-Forum in Siegburg, conveniently located with excellent transport links to major airports such as Frankfurt, Düsseldorf or Amsterdam and a direct train connection to Brussels. The venue offers modern facilities, including nearby parking and a less than 10-minute walk from the high-speed train station.

Why sponsor or exhibit? As a sponsor or exhibitor, your company will benefit from direct access to a highly focused audience of industry leaders, innovators, and decision makers. Sponsorship offers the opportunity to host private meetings or industry workshops, showcasing your cutting-edge technologies, products, and strategies. Exhibition space is also available, providing visibility and the opportunity to engage with key stakeholders.

Additionally, sponsors can advertise in the widely distributed conference journal, increasing brand exposure across the renewable materials sector. With limited spots available, early booking is essential to secure your place at this prestigious event.

By sponsoring, you position your company at the forefront of the transition to a renewable chemicals and materials industry, actively supporting innovation and shaping the future. Demonstrate your leadership in tackling major global challenges such as climate change and resource dependency.

Join us in driving the future forward!

Michael Carus, CEO nova-Institute

Please check the appropriate boxes and send the document to the nova sponsoring team if one or more alternatives appeal to you. All prices are excl. 19% VAT. Subject to change without notice.

* You are also welcome to book an additional advertisement in the conference journal (Page 5).

** The sponsoring net price is providing an excellent cost benefit ratio.

The total costs are set off by the services listed in the table e.g. free entrance tickets, exhibition booth and page(s) in the conference journal, resulting in much lower "net sponsoring costs".

Exhibition Information

Exhibition Opportunities at the Renewable Materials Conference

Companies interested in booking an exhibition booth (6 m²) can do so for 3,000 EUR (excl. 19% VAT). The booth fee includes one full conference ticket, providing access to all sessions and networking opportunities. The exhibition area is strategically located within the main conference hall, ensuring maximum visibility and interaction with participants throughout the event. For sponsors, the exhibition booth is already included as part of their sponsorship package, offering even greater value and exposure. Don't miss this opportunity to showcase your innovations at the heart of the conference!

Reduced-Price Exhibition Opportunity

For companies looking for a more budget-friendly option, exhibition booths (4 m²) are available on the first floor (E1) in the "Start-Up & More Area" for 2,000 EUR (excl. 19% VAT). While this area may have slightly less foot traffic than the main conference hall, it still offers valuable exposure and interaction with participants. This option is ideal for those seeking a more affordable way to showcase their innovations while still being part of this prestigious event.

Your stand booking (E0) consists of:

- One Table (1,40 m x 0,70 m), tablecloths and two chairs
- Optional Pinboard (1,20 m width x 2 m height)
- Power socket (240 V).

You are also welcome to make use of your own booth system.

Workshops

Sponsors are eligible to book extra rooms in order to hold workshops or special business meetings. Rooms can be booked for 1.5 hours, the rate is 980 EUR (excl. 19% VAT). Workshops will be promoted by nova-Institute in advance to the event. Room availability by the hour is based on a first come first serve basis. If you are interested in a workshop room or to find out more about the booking options, please contact guido.mueller@nova-institut.de.
