FASHION A SUSTAINABLE FUTURE
WITH SORONA® FOR INSULATION

**SOFT NEVER LOOKED SO SHARP.
TRAVEL GRACEFULLY THROUGH LIFE WITH SORONA® PROFILE FABRIC.**

What better way to enjoy the outdoors than
to wear clothing that helps protect it?

- Sorona® Aura insulation provides lightweight, long-lasting shape and warmth for any climate, for jackets and pants to gloves and hats.
- It retains warmth with less filling and weight, creating a more comfortable garment.
- It's partially plant-based which reduces our impact on the environment.
- And it's certified by the Sorona® Common Thread Fabric Certification Program to ensure the origin and the high-performance standards of this innovative, sustainably sourced insulation.

LOOK GOOD, FEEL GOOD, DO GOOD WITH SORONA® AURA.
