FASHION A SUSTAINABLE FUTURE
WITH SORONA® FOR ALL-DAY SOFTNESS

**KNOWING HOW THEY'RE MADE, YOU'LL FEEL AS GOOD AS THE CLOTHES.
SORONA® LUXE FABRIC IS LUXURIOUS TO THE TOUCH.**

Now linen, wool, silk and cotton can have a
rich hand feel.

• Sorona® Luxe fabric gives natural fiber

blends a long-lasting,
additional level of softness
and comfort that is
superior to polyester fiber
or nylon fiber blends.

• It provides faster wrinkle
recovery to keep natural
fabrics looking fresh and
relaxed.

• It reduces pilling.

• It maintains dimensional
stability and fit.

• It's partially plant-based
which reduces our impact
on the environment.

• And it's certified by the

Sorona® Common Thread Fabric Certification

Program to ensure the origin and the
high-performance standards of this
innovative, sustainably sourced fabric.

LOOK GOOD, FEEL GOOD, DO GOOD WITH SORONA® LUXE.
